The screenshot shows the login screen of the MAXIMUS mobile app. At the top, the time is 2:13 and the status bar shows signal, Wi-Fi, and battery icons. Below the status bar is a dark blue header with the word "MAXIMUS" in white. The main content area is white and contains the following elements: a "Log In" title, an "Email or Username" input field, a "Password" input field, a checkbox labeled "Keep me logged in", an orange "LOG IN" button, a "Forgot your password?" link, "Language" and "Region" dropdown menus (set to "English" and "United States" respectively), and a "Terms | Privacy" link at the bottom.

6. You will then be on the home screen of the app
